

Covenant with Creation

As a member of this community I dedicate myself to the care and redemption of all that God has made. (Please check the ways you intend to fulfill this covenant).

Recycle:

- Aluminum Cans and steel cans
- All kinds of glass containers
- Plastic Containers
- All Paper Products

Reuse:

- Avoid paper and plastic bags--use canvas or cloth bags
- Use ceramic or travel mugs not paper or styrofoam
- Use the reverse side of paper for memos and notes

Conserve Energy:

- Keep the temperature down
- Insulate windows and doors
- Turn off lights/ other electrical items when not in use

Conserve Water

- Turn off water when not using sink or shower
- Limit use of water on lawn and car-washing

Consume Resources Wisely:

- Eat intentionally and locally, lower on the food chain
- Limit or eliminate the use of red meat
- Simplify lifestyle and purchasing habits

Monitor Automobile Emissions and Use of Fuel

- Use alternative means of transportation
- Keep car in clean working order

Commune with Nature:

- Spend more time intentionally outside

Political Advocacy

- Be active in legislative efforts to guard the environment
